

The diagram illustrates a computer system 100. A central Processor 112 is connected to Storage 130, Memory 128, and a Display Adapter 126. A User Interface Adapter 116 is connected to the Processor 112 and interfaces with a Keyboard 118, Mouse 120, and two Interface Devices 122. A Display Device 124 is connected to the Display Adapter 126. A bidirectional arrow 132 indicates communication with an external system.
